Quantities listed for chain saws, weed trimmers, leaf blowers, cut off saws and protective gear are estimates only. The actual usage will be determined by the needs of the Department.

1.00—Specifications of Commodity and/or Service Requirements

See extended description on the commodity lines.

1.01— MATERIAL SPECIFICATIONS AND WARRANTY

All equipment provided in this Master Agreement will be new and will be current models of each unit. No reconditioned or used units will be accepted. The manufacturer's "Most Favorable Warranty" offered to Preferred Customers will apply to all items. The minimum warranty for all chain saw units will be ninety (90) days, full service (parts and labor). The minimum warranty for all weed trimmer and leaf blower units will be one (1) year, full service (parts and labor). The warranty for all specified units will begin upon the date of delivery of the unit to the designated delivery destination. The Vendor will provide a copy of the warranty to the Department at the time of delivery.

All equipment must be fully assembled, serviced, registered for warranty, and checked for full operational capabilities prior to being delivered. The Vendor must present at least twelve chain saw safety training classes taught by a factory authorized instructor per year at locations and times determined by the Department at no cost to the Department. There must be a factory authorized servicing dealer within thirty (30) miles of each of the Department's maintenance facilities. The KYTC Division of Purchases issues this Master Agreement for: Outdoor Power Equipment

2.01—Contract Components and Order of Precedence

1300001247	Document Phase Final	Document Description Outdoor Power Equipment (Chain saws, Weed Trimmers etc)	Page 10 of 18
------------	--------------------------------	--	-------------------------

3. Any provisions of the Solicitation and all attachments thereto;
4. The Bidder's response to the Solicitation, and
5. The Kentucky Revised Statutes KRS 45A.

In the event of an inconsistency between provisions of the solicitation, the inconsistency shall be resolved by giving precedence in the following order: (a) the Specifications; (b) other provisions of the Solicitation, whether incorporated by reference or otherwise; (c) Contract or Master Agreement Terms and Conditions; (d) FAP 110-10-00 – General Conditions and Instructions for Solicitations and Contracts.

2.03—Optional Renewal Period

This Master Agreement may be extended at the completion of the initial contract period for three (3) additional one-year periods. This extension must have the written approval of the vendor and the KYTC Division of Purchases. The Commonwealth of Kentucky reserves the right to renegotiate any terms and/or conditions as may be necessary to meet requirements for the extended period. The vendor will be advised of any proposed revisions prior to the renewal periods. In the event proposed revisions cannot be agreed upon, either party shall have the right to withdraw without prejudice from either exercising the option or continuing the contract in an extended period.

2.04—Divisions/Agencies to Be Served

This contract shall be for use by the following Divisions/Agencies of the Kentucky Transportation Cabinet:

Division of Maintenance Districts 1 - 12

No shipments or services are authorized until an official Delivery Order has been fully processed by an authorized agency.

2.05—Quantity Basis of Contract

2.06—Exception to Required Use of Contract

The establishment of this Master Agreement is not intended to preclude the use of similar products when requested by the agency. The Commonwealth of Kentucky reserves the right to acquire large requirements through other competitive processes.

1300001247	Document Phase Final	Document Description Outdoor Power Equipment (Chain saws, Weed Trimmers etc)	Page 11 of 18
------------	--------------------------------	--	-------------------------

shall be firm for the contract period subject to the following:

- A. Price Increases: A price increase will not be allowed during the first six (6) months of the contract. Only one price increase will be allowed during the contract period. The price increase must be based on industry wide price changes. The contract holder must request in writing a price increase at least thirty (30) days prior to the effective date, and shall provide firm proof that the price increase(s) is justified. The KYTC Division of Purchases may request additional information or justification. If the price increase is denied, the contract holder may withdraw from the contract without prejudice upon written notice and approval by the KYTC Division of Purchases. Notice of withdrawal must be provided a minimum of forty-five (45) days prior to the effective date.
- B. Price Decreases: The contract price shall be reduced to reflect any industry wide price decreases. The contract holder is required to furnish the KYTC Division of Purchases with notice of any price decreases as soon as such decreases are available.
- C. Extended Contract Periods: If the contract provides for an optional renewal period, a price adjustment may be granted at the time the contract is renewed, subject to price increase justification as required "A. Price Increases". One (1) additional price increase may be granted during the extended contract period. This price increase will not be allowed during the first six (6) months of the extended contract period and will be subject to the conditions in "A" above.

2.08—Addition or Deletion of Items or Services

The KYTC Division of Purchases reserves the right to add new and similar items, with the consent of the vendor, to the contract. If an addition is agreeable to both parties, the KYTC Division of Purchases will issue a Modification. Until such time as the vendor receives a Modification, the vendor shall not accept Delivery Orders from any agency referencing such items or services.

2.09—Changes and Modifications to the Contract

During the period of the contract, a modification shall not be permitted in any of its conditions and specifications, unless the contractor receives electronic or written approval from the KYTC Division of Purchases. If the contractor finds at any time that existing conditions make modification in requirements necessary, the contractor shall report the matter promptly to the KYTC Division of Purchases for consideration and decision. All contract modifications shall be subject to the provisions of 200 KAR 5:311.

2.10—Equipment

All equipment must be new and current model(s). The Commonwealth recognizes the rapid advancement of technology. If the vendor can provide new equipment of advanced technology after the award of the contract, the Commonwealth and the bidder may choose by mutual agreement to install such equipment. The price of the new technology equipment cannot exceed the cost of the award contract.

A penalty payment of one percent (1%) per month shall be added to the amount due the vendor for each full or partial month that the payment exceeds 30 working days. As an incentive for earlier payment, bidders for state contracts are encouraged to offer discounts for payments made in less than the prescribed 30 days.

2.17—Post Contract Agreements

The Master Agreement shall represent the entire agreement between the parties. Prior negotiations, representations, or agreements, either written or oral, between the parties hereto relating to the subject matter hereof shall be of no effect upon this contract. The Commonwealth shall not be required to enter into nor sign further agreements, leases, company orders or other documents to complete or initiate the terms of the contract. Any such documents so obtained will be non-binding on the State and be cause for breach of contract.

2.18—Service Performance

All services performed under contract shall be in accordance with the terms and conditions of the contract. It will be the agency's responsibility to ensure that such services rendered are performed and are acceptable.

The relationship between the State and the Contractor is that of client and independent Contractor. No agent, employee, or servant of the Contractor or any of its subcontractors shall be or shall be deemed to be an employee, agent, or servant of the State for any reason. The Contractor will be solely and entirely responsible for its acts and the acts of its agents, employees, servants and subcontractors during the performance of this Contract.

------------	--------------------------------	--	--------------------------------

Deviations of services performed will not be made without the written approval of the KYTC Division of Purchases. Problems that arise under any aspect of performance should first be resolved between the vendor and the agency. If such problems and/or disagreements cannot be resolved they should be referred to the KYTC Division of Purchases for mediation.

2.19—Assignment

The vendor shall not assign this Master Agreement in whole or in part to another vendor at any time during the initial or optional renewal terms of the contract, without the consent, guidance and approval of the Commonwealth. Any assignment hereunder entered into, subsequent to the execution of the contract with the prime vendor, must be annotated and approved by the Commonwealth. Any purported assignment without this consent shall be null and void.

2.20—Termination of Contracts

A contract may be terminated for default by the vendor, for the convenience of the Commonwealth, or for lack of appropriation in accordance with 200 KAR 5:312.

2.21— Endorsements

The Contractor shall not refer to the Award of Contract in commercial advertising in such a manner as to state or imply that the firm or its services are endorsed or preferred by the Commonwealth of Kentucky.

2.22— Registration with the Secretary of State by a Foreign Entity

Pursuant to KRS 45A.480(1)(b), an agency, department, office, or political subdivision of the Commonwealth of Kentucky shall not award a state contract to a person that is a foreign entity required by [KRS 14A.9-010](#) to obtain a certificate of authority to transact business in the Commonwealth (“certificate”) from the Secretary of State under [KRS 14A.9-030](#) unless the person produces the certificate within fourteen (14) days of the bid or proposal opening. Therefore, foreign entities should submit a copy of their certificate with their solicitation response. If the foreign entity is not required to obtain a certificate as provided in [KRS 14A.9-010](#), the foreign entity should identify the applicable exception in its solicitation response. Foreign entity is defined within [KRS 14A.1-070](#).

For all foreign entities required to obtain a certificate of authority to transact business in the Commonwealth, if a copy of the certificate is not received by the contracting agency within the time frame identified above, the foreign entity’s solicitation response shall be deemed non-responsive or the awarded contract shall be cancelled.
